South African Conference on positive PSYCHOLOGY

Individual, Social and Work Wellness

[Incorporating the 3rd South African
Work Wellness Conference]

The Psychology Research Programme, the Workwell Research Unit, and the division for Health-Promoting Schools at North-West University are pleased to announce that they will be co-hosting the first positive psychology conference in Africa. The South African Conference on positive psychology 2006: Individual, Social and Work Wellness will be held on **5-7 April 2006** in Potchefstroom, South Africa. Pre-conference workshops will be presented on 4 April 2006. The Aim of the conference is to provide an update on theory, measurement and application in the domain of positive psychology in general, and in particular as pertains to individual, social and work wellness in a multi-cultural context. The conference will provide opportunities for discussion, debate, and promotion of knowledge and development of skills, and future networking.
