

Directions Between Milan Malpensa Airport and Orta San Giulio

NOTE: A rotary is also called a circle or roundabout.

From Milan Malpensa Airport to Hotel San Rocco in Orta San Giulio:

- 1) A8 to Milano for 15 kilometers (about 10 minutes)
- 2) At the fork: Left to A8 in the direction of Varese/Gravellona for 6 kms. (about 5 minutes)
- 3) At the fork: Take A8/26 in the direction of Genova/Gravellona for 22 kms. (about 15 minutes)
- A8 and A26 overlap at some points. The highway signs vary from A8 to A26 to A8/26.
- 4) Take A26 in the direction of Gravellona/Arona for 5 kms. (about 5 minutes)
- 5) Take the Arona exit in the direction of Borgomanero/Orta. This road is SS 142 westbound and you're on this for 5 kms. (about 5 minutes).
- 6) Go straight through the rotary and take a right at the fork that immediately follows the rotary, following signs to Orta. This road is SR 229 northbound and you're on this for about 14 kms. (about 20 minutes).
- At the rotaries, follow signs for Orta and the direction for Gravellona Toce
- After you first see the lake on your left, the intersection to Orta San Giulio is about 4 kms farther.
- 7) Make a left at the light to Orta San Giulio. It's the only light for kilometers. Stay on this road for 1.5 kms.
- 8) Take a right at the Hotel San Rocco sign. There is a mini-golf at this turn. You have arrived at the Hotel San Rocco.

From the Hotel San Rocco to Milan Malpensa Airport:

- 1) Take SR 229 southbound for 14 kilometers (about 20 minutes)
- SR 229 is the road that parallels the coast of the lake. You will go straight through several rotaries.
- 2) At rotary: Take the road for Arona for 5 kms. (about 5 minutes). This road is SS 142.
- 3) Take A8/26 to Milano for 33 kms. (about 25 minutes)
- A8 and A26 overlap at some points. The label on the highway will vary from A8 to A26 to A8/26.
- 4) Take the exit called Uscita Busto Arsizio/Malpensa for the airport
- You will see several earlier exits for the Malpensa airport, but this is the best one.
- 5) Follow signs to the airport
